# WE HAD AN ANTIBULLYING WORKSHOP AND THIS IS WHAT WE LEARNED:

- ✓ Bullying can be hitting and hurting but it can also be mean words. Bullying is when it happens over and over again.
- ✓ Say stop if someone is being unkind to you and don't let them continue- walk away.
- ✓ Always tell a teacher/ adult. They can help.
- ✓ Never retaliate.
- ✓ Remember that bullying never wins- so don't do it.
- ✓ Check what you say before you say it.

AFTER THE WORKSHOP, WE ALL LOOKED AT SOME SCENARIO CARDS ABOUT DIVERSITY. THIS IS WHAT WE LEARNED.

- ✓ Be careful with the tone in your voice.
- ✓ Think before you speak.
- ✓ Don't stop people playing with you because they are different to you.
- ✓ Always be kind- show care.
- ✓ Smiling can change someone's day.
