	Child First Aid Training							

In addition to these specific opportunities, safeguarding is taught throughout the school day. Children are taught:

How to stay safe on the playground (code of conduct for play and lunchtimes e.g. not kicking balls), in the building (fire evacuation, adults must wear lanyards), during lessons (science safety, safety in PE e.g. hair tied back) and at the start and end of every day (taking the register, going home with trusted known adult).

Further opportunities for teaching safeguarding arise throughout the school year and include:

PCSO visits  
School Nurse visits  
Oral health specialist visits  
Internet safety roadshows  
Mental health awareness (odd socks day, mental health week)  
Road safety campaigns

Our Internet provider is Agile IT. They monitor internet usage and block new websites that could cause harm and report user access to us on a weekly basis. A selection of those already banned is as follows but this list is always changing in response to our requirements and their monitoring:
